#### **3. MINUTES OF PREVIOUS MEETING**

3.1 The accuracy of the minutes of the Parish Council Meeting held on **15th July 2024** were agreed & signed by the chairman.

#### **4. PUBLIC FORUM**

4.1 NCC & GYBC Cllr James Bensly, Borough Councillor reported that NCC are holding a new consultation into the future requirements of the railway in Norfolk – new stops/stations etc. NCC Schools appeals board continue to look for members, they are also conducting a consultation on Adult Social in Norfolk. GYBC are shortly to be holding their Arts Festival. There was a meeting held in Hemsby at the weekend by the Childrens parliament to discuss coastal erosion & many stakeholders attended, the Parish Council Chairman had sent his apologies due to work commitments.

4.2 Police – It was noted that the PC Gary May has now retired & been replaced by C 1827 Callum BALL 07973824355, callum.ball@norfolk.police.uk , dial 101 ask for extension 3043. Next SNAP meeting Thursday, 12 September 2024, between 7 - 8pm at Winterton Village Hall, King Street, Winterton.

4.3 A short presentation was given by Margaret Oaks as the founding person of the Raymond James Quigley Legacy explaining that she has launched the charity following her son being murdered in 2023. She advised that the clerk has introduced her to Jayne from local charity Heart2Heart Norfolk who is a large stakeholder in locally available defibrillators & they will now be installing her bleed kits alongside the defibrillators. They are asking that the Parish Council consider purchasing bleed kits for the defibs in the village. It was agreed that this will be added to a future agenda to discuss how many defibs are in place & who they are owned by to ensure that the correct amount is considered for purchased by the Parish Council. They are going to be holding practical sessions for the use of the kits & also the defibs, the Parish Council advised that the pavilion meeting room is available. A resident has offered to refill the kits should one be used in the village as they will be contained within the locked defib cabinets so will be accessible by obtaining the access code from the ambulance service in the same way as the defib.

4.4 To consider proposal from GYBC regarding Beach Road public toilets & to receive a presentation from Andrew Wadsworth from GYBC Property & Assets team, he advised that in 2016 Hemsby Parish Council's were asked to adopt the public toilets, the Chairman corrected him that Hemsby Parish Council had not been approached until 2023, he had been advised that previously both by phone & email. He said that GYBC can no longer afford to run the toilets & wish to pass on the responsibility but not the ownership to Hemsby Parish Council to cover the cost of the daily opening & closing, day to day maintenance as well as the cleaning. He said that GYBC would continue to fund the supplies & consumables & could possibly assist with repairs. He said he felt that it was possible for the Parish Council to follow the lead to Caister Parish Council, Winterton Parish Council & Ormesby Parish Council although he acknowledges that many of them also suffer vandalism. He was asked why GYBC continued to maintain the ones in Martham, including daily cleaning & unlocking and he said that he was unsure why the chairman suggested that if they are passing via Hemsby surely it made sense for them to look after their own asset too. He said that the toilets were in a bad state of repair & would

also require a full refurbishment programme that would be in the region of £35k, the chairman advised him that the Parish Council had done that themselves for the toilets that they do own at Kingsway by way of a public loan work board application & they had nearly paid it off after 5 years. He said that he would like to hear the Parish Councils decision, the chairman asked the Cllrs present for their initial thoughts, they on the whole they were concerned about the cost which would have to be passed on to the residents of Hemsby via their council tax as the GYTIAB no longer supported public toilet cleaning or beach cleaning in Hemsby. It was agreed to add this to the next agenda in October.

4.5 It was noted that MP Rupert Lowe was invited to attend this meeting, however we have been advised that he is not normally able to make an early weekday meetings.

4.6.1 A resident asked if Blue badge applications were still being conducted online rather than by way of face to face meetings, NCC Cllr Bensly advised that both types were available.

4.6.2 A resident asked why the development on the former Pontins site appears to have stopped, no answer was known.

4.6.3 A resident requested that GYBC send their road sweeper to the village as the kerbs have a large amount of silt which is allowing weeds to grow & look unsightly, GYBC Cllr Bensly said that he would request it visits asap.

4.6.4 A member of the village events group thanked the Parish Council for the use of the playing field for their July 2024 event, however they voiced their unhappiness that the pavilion toilets had not been cleaned prior to the event as arranged. The chairman apologised that the cleaner had had a domestic emergency & that it had been overlooked. The event group representative also reported that a member of their committee had been sworn at by a now ex-parish councillor during the event, The chairman said that they were now no longer on the parish council & if they were still a serving Councillor they could report that to GYBC Monitoring Officer & that was not acceptable behaviour.

**5. CO-OPTION TO PARISH COUNCIL'S VACANT SEATS** – six seats remain vacant, application forms available from the Clerk. GYBC have confirmed that following the three recent resignations of Cllr Bowgen, Cllr Cooper & Cllr Stocker, that these seats can be filled without a by-election in addition to the three already vacant since May 2023 election. The Parish Council thanked them all for their hard work.
